

Welcome

Welcome OER Leaders!

About Key Note Speaker Dr. Livingston:

Dr. Livingston was one of the early adopters and leaders in the development and use of OER resources. At the 2010, 16th Annual Sloan Consortium International Conference on Online Learning, he received the Best-in-Track Award for Leadership, Values and Society "Keeping Education Accessible: How Open Textbooks Can Be Good for Education, Business, and Society".

Dr. Livingston has twenty-five years' experience as a Business Executive and Entrepreneur. He has been teaching Business Management at Cerritos College for fifteen years, where he continues to teach today. His dedication to business, education, and students includes his work in launching and leading Cerritos Community College in OER adoption. His direct experience with OER provides an invaluable view of how a Community College achieved effective long-term use of OER for student success.
